roadside pylon drawing

Revision 2 10 / 26 / 09

Currently the Shopping Center is no longer in compliance with the city's sign ordinances regarding roadside pylon signs.

The only way Citi Trends will be allowed a roadside sign is for all the present roadside signs be taken down and a new sign constructed no larger than this drawing.

Per street frontage:
The max size allowed: 150 sq. ft.
The max height allowed: 30'
