

**SIGN CODE:**  
 Section 7.2 Wall and Mansard Signs  
 Wall and mansard signs shall be permitted on the wall or mansard of a building facing a public street. If a building has public street frontage on more than one side, a wall or mansard sign may be allowed on either the main entrance or any side facing a public street. **Or, alternatively the allowed square footage for the signage may be divided equally between the main entrance and an adjacent side of the building which also faces a public street.** These signs are subject to the following:

1. Wall and mansard signs are allowed in all non-residential zoning districts.
2. If a structure is located on a lot that has no street frontage, wall or mansard signs shall be permitted on any single facade.
3. Wall or mansard signs attached flat against the exterior surface of a building may extend not more than 6 inches from the wall.
4. The total area for wall or mansard signage shall not exceed:
  - a. **10% of the area of the building wall.**
5. A directory sign is a wall sign.
6. For buildings with multiple tenants having store fronts only, the facade rented by the tenant shall be considered as the wall area for a sign area calculation.
